

**The ORIGINAL and STILL the BEST:  
8 Week "How To" Series of Cooking Classes**

This course is aimed at both the beginner who is learning to cook for the first time, to the cook who's been tinkering in the kitchen since childhood but now wants a more structured knowledge framework and skills foundation

Sixteen or sixty-six, this course is ideal for you. It will teach you all the fundamentals you need to know, without the complexities of a fulltime course.

Now you can learn how to cook without bankrupting yourself, while having the freedom to carry on with your normal life. It is a fun-filled eight-week hassle free culinary journey that will change your life forever and make you the *Master Chef* in your own kitchen.

**Next course starting on 23 February 2012!  
Only limited availability!**
